What's happened: President Joe Biden took office in 2021 and implemented a number of failed economic policies that caused American families to suffer due to crippling inflation.

Easter famine: The price of eggs has nearly [doubled](#) since Biden took command of the American economy, which means that some children will be hunting for "Easter potatoes" this year.

Axios [reports](#) that popular mom blogs are publishing tips for making "colorful Easter Egg Potatoes" as a "really viable option" for families struggling with "inflated costs" at the supermarket.

By the numbers: The cost of potatoes has [increased](#) a mere 25 percent under Biden's failed leadership.

Context: Easter is a Christian holiday commemorating the resurrection of Jesus Christ.

Bottom line: Biden and his Democratic allies hate fun almost as much as they hate children and Christianity.
