OUR PROBLEM TOO A recent conference survey made by the Methodists indicated that 54% of the children who attend Sunday School in their early years and then " drop Out" left at the age of 12, 13, and 14. Of those who continued in Sunday School, 81 percent said they were influenced to do so by the attitude of their parents toward the Sunday School. Of those who remained in Sunday school, 86 per cent remained for the preaching service.

Attend Sunday School and Preaching every Sunday and your life will not be open to the temptations of Satan. The Lord's Day belongs to Him and we are use it for His pleasure.
